

OCTOBER 31ST, 2022

Birchfield Woods Cluster Association

Fall Newsletter

NEW TRASH COMPANY/ SCHEDULE

Our last day of service with American was October 14th, and we are now using Champion Services for trash removal. Each resident keeps their own bin and recycling can. The only change is the new schedule below:

Mondays: Trash, Yard Waste, and Recycling

Thursdays: Trash only

Trash goes out no earlier than 7pm the day before a pickup, and the pickup time is 6am - 9pm. To keep the neighborhood nice looking, please bring your trash can in by 10pm on the day of pickup.

Any questions please reach out to the board via email, website (<https://birchfieldwoods.org/contact-the-board>) or the BWCA facebook page

Fall Fire Pit & S'mores Event

Come celebrate fall together as a cluster on **November 18th** starting at **6:30pm** in the circle. **S'mores materials will be provided!**

Bring your favorite outdoor game or dessert to enjoy the fall weather. (Encouraged but not required!)

OCTOBER 31ST, 2022

CLUSTER BOARD MEMBERSHIP CALL

Are you passionate about community? Are you skilled in communications, contracts, events, or budgets? Do you have a genuine interest in the general management of our cluster association? Do you have a few hours a month to devote to our one hour monthly meeting, email correspondence, and other tasks as you are able?

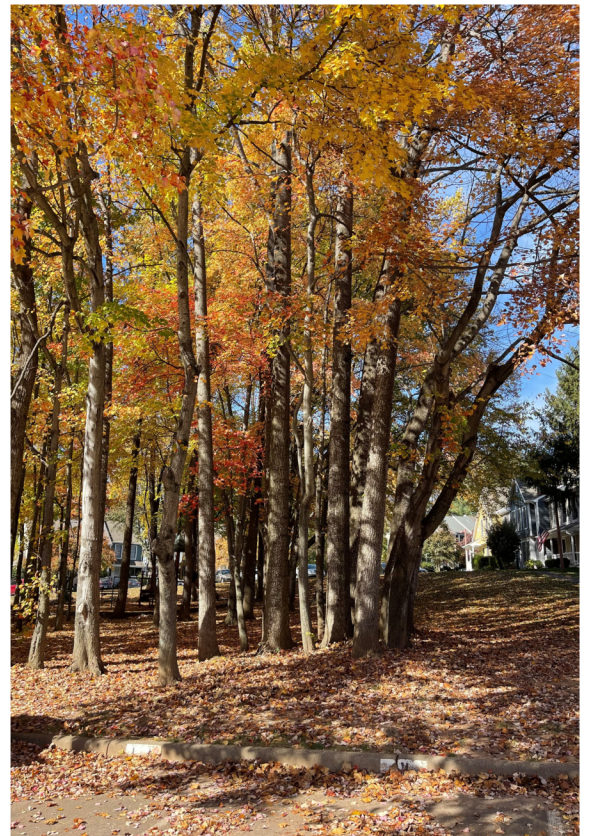

If you answered yes (or no) to any of these, then consider joining the Birchfield Woods Cluster Board! We have one seat that has opened up for a one year term that needs to be filled as soon as possible.

We will be hosting a special interest meeting for those who have considered joining the board to ask questions or to clarify roles and responsibilities.

Board membership interest meeting will be held via Zoom on November 14th at 6:30pm.

Password: BWCA@630pm

Have ideas for Installing an EV charging station? >

If you are interested in installing an electric vehicle charger, we are looking to gather ideas and options for how to pursue this in the cluster. If you have potential options for how to install one while maintain unobstructed sidewalks, upkeep, and cluster cohesion please reach out to the board! See the contact info on the first page for how to reach out.
